Winning companies/schools receive statewide recognition for their work to create positive change in their community.

Communities across North Carolina benefit from strong campaigns that increase resource investment and build a culture of volunteerism.

Organizations who participate report that employees have greater knowledge about community need and are motivated to give, advocate and volunteer!

SPIRIT OF NORTH CAROLINA SOARS HIGH TO IMPACT COMMUNITIES!

The Spirit of North Carolina Awards for Campaign Excellence are sponsored annually by the United Way of North Carolina to recognize companies, schools and school systems who build collaborative partnerships to address community need. Applications are submitted in partnership with local United Ways and winners are selected through a judging process, led by United Way executives from across North Carolina. An awards luncheon in Pinehurst, NC provides recognition to those that exceed standards of excellence and demonstrate their commitment and action for community change; serve as examples to foster the spirit of giving; and increase donor-based and volunteer resources to meet community needs.

2019 Spirit of NC Winners will be recognized on February 19, 2020 in Pinehurst, NC
